<p>TO THE LAND APPRAISER:-</p> <p>In the interest of a complete set of County Plat Books I would hardly suggest that you kindly make a note below of all errors you find in the location of property. We have endeavored to make these books from deeds and records instead of recopying the old Plat Books which have never been completely revised. So many errors have been found in deed and road records that it is hardly possible that all the property is located as it should be.</p> <p style="text-align: right;">Respectfully, <i>C. J. Bickley</i> County Engineer.</p>
