TO THE LAND APPRAISER:-																																						
<p>In the interest of a complete set of County Plat Books I would suggest that you kindly make a note below of all errors you find in the location of property. We have endeavored to take these books from deeds and records instead of recopying the old Plat Books which have never been completely revised. So many errors have been found in deeds and road records that it is hardly possible that all of the property is located as it should be.</p> <p style="text-align: right;">Respectfully, <i>C. L. TO THE LAND APPRAISER:-

In the interest of a complete set of County Plat Books I would suggest that you kindly make a note below of all errors you find in the location of property. We have endeavored to take these books from deeds and records instead of recopying the old Plat Books which have never been completely revised. So many errors have been found in deeds and road records that it is hardly possible that all of the property is located as it should be.

Respectfully,

C. L. Rushing

County Engineer.
