

Bowman St

Plat of Lena Lersch Addn as Recorded in Vol # 9 Page # 16, Plat Records.
 Distances between Bowman St (West Side) and Stocking Ave (East Side) show
 927' along south side Fern Ave, 927' along No. & So. side John Long St, 927' along south side east & west Alley
 923' along north side east & west alley and 923' along north side Longview Ave
 This would make a jog of 4' to the west on north side of east & west alley
 Plat as recorded in Vol. # 9 Page # 6, Plat Records, shows all the distances
 between the above describe point as 923'. This plat was vacated in favor
 of the above plat.
 This is to certify on the 28th of Sept. 1949, I have surveyed & staked lot # 36 in
 Lena Lersch Addn as 46' x 145' which are the same dimensions as appear
 in Vol # 9, Page # 16 Plat Records, which in my judgement was the intention of
 the person or persons who platted above lots
