Dear Mr. Harp:

This is to notify you that the sub-division of a .0594 acre parcel being part of the SE Quarter of Section 24, Township 21, Range 18, Madison Township, has been approved without plat by the City Planning Commission.

This should be recorded at the Court House and a deed drawn up with a statement that it was approved without plat by the City Planning Commission. The following statement must appear on each deed which is to be executed: "The grantor, grantee and all subsequent owners or assignees taking title from, under or through the grantor or grantee agrees that any use or improvement on this land shall be in conformity with all existing valid zoning, platting, health, or other lawful rules and regulations."

Very truly yours,
