X-217

Plat of a survey made of a part of the W. ½ of W. ½ quarters of section 9. Twp. 22 range 17. for the parties named thereon. The description of the line A.B.C.D. is quoted from a deed made Jan. 1834 and was not re-surveyed. The remainder was, and all angles were measured by the vernier and calculated bearings are noted on the lines.

Respct submitted this 14th day of Aug. 1896.

I hereby certify the foregoing to be correct.

J. B. Weddell.
